Meeting Programs: Our January meeting will feature Dr. Bob Rider, a veterinarian at Metzger's Animal Hospital, who will speak about bloat. A great time was had at the annual Holiday Party at Prospectors Restaurant. The gifts were great, the food was wonderful, and the turnout was fantastic!

Brags: Roberta Horner reports TWO titles for Isa! She is now officially Isagulek WPD RN!!! Isa just received her WPD (Working Pack Dog) certificate from the Siberian Husky club. She also qualified in all three trials she attended on New Years Weekend to complete the Rally Novice title. They scored a 93, 97 and 96. To add to this is that they *may* have the distinction of being the very first Siberian Husky to achieve this title. Congratulations Roberta and Isa!

Membership: Lisa Coggins has applied for membership in the club. She lives in Pennsylvania Furnace and owns Border Collies, an Australian Shepherd, a Bichon Frise and a Lab mix. She is interested in agility, obedience and flyball. She belongs to the Mt Nittany Dog Training Club.

Grooming Day (author unknown)

To the tune of Yesterday (with apologies to Paul McCartney)

Grooming day;
All my fur is being brushed away.
It keeps on shedding; it just won't stay.
So my human's having me groomed today.

Suddenly,
I'm not half the dog I used to be,
There's a slicker brush hanging over me.
Shedding season came suddenly.

Why my coat had to blow,
I don't know;
No one can say.
Maybe I got too warm,
Now I long for New Year's Day.

Yesterday,
I was just a happy pup at play.
I'm in need of some Valium today.
Oh, how I hate ol' grooming day!
