TWO-DAY BREED HANDLING SEMINAR

CAROL BROWN

Saturday and Sunday, April 2-3, 2022

9:00 am-4:00 pm each day

Clearfield Veterinary Hospital

1121 Linden St.

Clearfield, PA 16830

Carol became involved in dog shows because of a dog-loving daughter, who started her show career at age 12. Beginning as the driver to shows, Carol eventually began showing and breeding Vizslas and Pointers herself after her daughter grew up and left home. Her career has evolved over the years from an all-breed professional handler, to a pet grooming shop owner/operator, handling instructor, professional ring steward, licensed show superintendent, and finally to an AKC-approved judge of the Sporting and Working Groups, and several Hound, Non-Sporting and Herding breeds, as well as Junior Show and BIS. Additional breed applications are in progress. As a handler, Carol has finished dogs in all seven groups; as a judge, she exhibits her love of dogs and people, and always tries to help and encourage new people, especially Juniors, in the sport and dog fancy.
